EVERYDAY ENGLISH

Get conversation-confident. This essential class within ELS Language & Culture for the Modern Adult gives you the skills you need to speak casually in everyday situations with ease and accuracy.

DISCOVER AND DISCUSS

Confidently share your thoughts and opinions on current topics. This discussion-based class focuses on contemporary subjects such as artificial intelligence, environmentalism, global citizenship, and more.

GRAMMAR IN ACTION

To speak well and to be understood, you will need to be precise and accurate. Learn the building blocks of the English language that help you seamlessly transition from the classroom to the real world.

Stay current, and join the conversation.

ACTIVITIES

Activities catering to the preferences of the modern adult are included in the program on Tuesday & Thursday afternoons.
